This correspondence is a request to adjust the time to respond to a final rejection in the above-identified application. The original final rejection was mailed on February 11, 2008. However, this letter was not delivered to the applicant. Entries in the file wrapper indicate that the mail was undeliverable and was returned to the patent office. We were not aware of any existing and pending action until contacted by the Examiner last week. We have submitted accurate contact information for this application to ensure that the applicant promptly receives any future correspondences. The applicant requests at least a one-month extension to review the final rejection and prepare and submit an appropriate response. Thank you in advance for your time, consideration and cooperation in this matter.

Respectfully Submitted,

Darcell Walker
